

## Andrea Franco | b. 1981.

Born in Lima, Perú. Based in Los Angeles.

Artist, filmmaker, and film curator. Her work, rooted in documentary and experimental film traditions, explores the psychogeography of place, memory, diasporic and indigenous communities, and post-colonial social and political dynamics throughout Latin America and beyond. Her work is often informed by personal journeys and her own biography. Franco works with the moving image as an impactful and healing mechanism towards a shift in consciousness and our perception of the world and of others.
